REV. SEC. 30 DEC 1921

S. Hiriannaiya., Esqr., M. A., B. L.,

Secretary to the Government of H. H. the Maharaja of Myso
General Department, Bangalore.

SIR,

I have the honor to forward herewith, in original, the marginally noted papers relating to the tenders for the supply of yarn to the Manufacturing Department of the Central Jail, for the very early orders of Government and to state as follows.

1. Comparative Statement.
1. Tender of Messrs D. Adappa & Sons
1. -do- Venkatamunia Setty ..
1. Statement of actual quantity of yarn purchased in 1921 till 30-11-1921

In Government Order No. G. 1300/Pris 45-20-4 dated 7th January 1921, passing orders on the disposal of similar tenders for the current year, it was ordered that purchases of yarn should be made from approved firms at market rates as it would be more advantageous than accepting the cheapest of the tenders. With a view to see whether the local purchases at market rates have actually resulted in any advantage to Government, a statement of the quantities of yarn purchased from time to time, with rates paid was called for. It will be seen therefrom that if the tender of Mr. Venkatamunia Setty had been accepted the total cost would have been Rs. 8588-0-0 against Rs. 6023/8/0 the cost at ruling market rates. The crops are reported to be generally good this year and although the rates of cotton and cotton yarn largely depend on the condition of the American Market, they may not rise abnormally.

I therefore agree with the Superintendent that, as in the current year, yarn may be permitted to be purchased locally at rates prevailing in the market.

I have the honor to be
